

Our season for 2018 is from May 1st to October 14th. Each site in our campground has electric, water, and sewer. The electric is billed to the customer 3 times a season. The due dates are always July 4th weekend, Labor Day weekend, and November 1st.

There can only be one family per site. A family is defined as 2 adults and their unmarried children, 25 and under, who are still living at home.

All RV's that are entering the park or that are moved from one site to another cannot be over 15 years old (2003). RV's that are already on a site are fine until they are moved. RV's in the park already cannot be sold on site if they are older than 15 years old.

Each customer is given 10 guest passes to give out to their family and friends. One pass per vehicle per day, or one overnight adult per pass. Passes are not valid on holiday weekends. Children from birth to 18 are not charged. Visiting children are your responsibility. Adult guests are charged \$3 during the day and \$5 overnight. No one, including your children, is permitted to stay on your site when you are not present.

For your convenience we have Wi-Fi in the park by the office, rec. hall, & pool area. If a customer wishes to have cable or internet on their site, they will have to contact Spectrum Cable.

A deposit of \$200 is required at the time of taking a site and signing the lease. The remainder of the site fee is due by April 1st or within two weeks of the deposit, if lease is signed after that date. A one-time \$75 electric security deposit is required on all sites. If you wish to pay the site fee with a credit card a \$50 processing fee will be added. Checks, cash, and money orders are always accepted.

If you plan on leaving your RV or any other belongings on your site for the winter, there is a \$250 winter fee. The only belongings that can remain on a site without being charged will be permanent fireplaces, sheds, and stairs.

During the Winter Fee time period, October 15th to April 30th, no one is allowed to stay overnight in the park. Customers are welcome to come into the park to check on their RV's anytime. Gate cards will not work during this time, however it is fine to walk in. Gate cards for the 2018 season work from May 1st till Oct. 14th if the seasonal site fee is paid in full.
